ABOUT DUTHOO

A COLOURFUL SOLUTION !

Vincent Duthoo is brought up with paint, as it were. He comes from a family that has always been active in the paint and decoration world. His great-grandfather founded, as early as 1904, the family painting and decorating wholesale company "Duthoo-Costeur". In 2005 Vincent started working as a representative at wholesale paint company "Hendrichs West". Being an entrepreneur, Vincent takes over the company 2 years later. He operates from a rental property of 205 m2 with a team of three employees. On January 1st of 2009 "Hendrichs-West" is renamed to Duthoo nv and the all-new company moves to a new building in Zwevegem. The open and spacious industrial building fits in well with the vision and ambition of Duthoo Coating Concepts.

Today, Duthoo nv counts 20 employees and the focus is on producing and distributing industrial paints. The company enjoys an excellent reputation for perfectly reproducing colors. Customers from all over Europe are happy to put their trust in the experience of Duthoo. Our colorists have years of experience and a state-of-the-art color lab, equipped with spray booth, for the (re)production of wet paint that matches the exact color, texture and gloss of your sample or description.

With the acquisition of Lodan International, we obtained 25 years experience in the world of Touch-up and repair. Aluminum and PVC manufacturers, powdercoat manufacturers and powdercoat companies in Europe and the rest of the world call on this expertise. We are also manufacturer of maintenance products for lacquer, powdercoated pieces, aluminum and non-ferrous metals, steel, stainless steel, wood, polyester, PVC, etc. The Duthoo-maintenance range meets the standards of the professional requirements in the construction industry.

Vincent Duthoo, CEO Duthoo NV

OUR VALUES

Our values - integrity, flexibility and enthusiasm - add colour to our vision, define our policy and are the guidelines in how we treat customers and employees.

INTEGRITY

We practice what we preach and tell what we are doing.

We dare to question ourselves and others and accept a remark as a step towards improvement.

We believe in a transparent communication: open, honest and always ready to share information.

We move in the same direction and aspire the same goals.

FLEXIBILITY

We are flexible in every field in order to offer our client a tailored solution: we take our time to reflect with our client and anticipate future challenges.

We push our boundaries and adapt if necessary.

ENTHUSIASM

We want to excel in what we do and are proud of it - we work with passion and dynamism.

Always positive, that's who we are: a primer of kindness coloured with interest in our colleagues and finished with a nice layer of humour!

01 REPAIR

Renovate your powdercoated surfaces with Duthoo Touch-Up Spray and Touch-Up Bottle.

TOUCH-UP SPRAY

HOWTOVIDEO

SCAN QR CODE

TOUCH-UP SPRAY 1 COMPONENT

1 Component liquid paint in spraycan of 400 ml, specially developed for repairing or coating of PVC & lacquered objects. Sanding or degreasing with the Etching promoter. Available in all RAL colours (matt 30%, semi-gloss 70% and high-gloss 85%) and all PVC & powdercoat colors.

RAL - Art. nr. 217SPAPRAL Content Spraycan 400ml

PVC + POWDERCOAT - Art. nr. 217SASTD Content Spraycan 400ml

TOUCH-UP SPRAY 2 COMPONENT

2 Component liquid paint in spraycan of 400 ml, with high durability, specially developed for repairing or coating of PVC & lacquered objects. Available in all RAL colours (matt 30%, semi-gloss 70% and high-gloss 85%) and all PVC & powdercoat colors.

RAL - Art. nr. 230PPA2RAL Content Spraycan 400ml

PVC + POWDERCOAT - Art. nr. 231PPA2STD Content Spraycan 400ml

TOUCH-UP SPRAY DTM 2 COMPONENT

2 Component liquid paint in spraycan of 400 ml, specially developed for lacquering difficult substrates or high protection against UV, rust or chemical products. Available in all RAL colours (matt 30%, semi-gloss 70% and high-gloss 85%) and all PVC & powdercoat colors. Adhesion without primer on non-ferrous metals.

Art. nr. 2290PU2c-14 Content Spraycan 400ml

CLEARCOAT SPRAY 1 COMPONENT

1 component clearcoat in spraycan of 400 ml based on modified acrylic resins. Matt 30%, semi-gloss 70% and high-gloss 85%.

Matt - Art. nr. 217SPRAPTS700 Content Spraycan 400ml

Semi-gloss - Art. nr. 217SPRAPT7970 Content Spraycan 400ml

High-gloss - Art. nr. 217SPRAPT7846 Content Spraycan 400ml

FT structure - Art. nr. 217SPRAPT7775 Content Spraycan 400ml

CLEARCOAT SPRAY 2 COMPONENT

2 component clearcoat in spraycan of 400 ml. Anti-rust and adhesive primer and can be used as a finish. Can also be used on non-ferrous after degreasing. Matt 30%, semi-gloss 70% and high-gloss 85%.

Art. nr. 2290VU2c-14 Content Spraycan 400ml

CLEAR VARNISH

Clearcoat in spraycan of 400 ml. Protects against acids and bases, chemical constituents, oils, detergents, UV rays, moisture ... Protects against the oxidizing of metal and can also be used on non-ferrous after degreasing.

Art. nr. 219SPRVRCV Content Spraycan 400ml

UNIVERSAL PRIMER 1 COMPONENT

1 component adhesive primer for galvanized steel, metal or non-ferrous. Adheres to difficult surfaces.

RAL 7035 grey - Art. nr. 3PE059 **Content** Can 3,5L

TOUCH-UP PAINT 1 COMPONENT

1 Component liquid paint in can designed for repairing or coating of powdercoated objects. 100% adhesion on lacquered pieces with the Duthoo Etching Promoter or by fine sanding.

RAL matt 30% - Art. nr. 222PAE30 **Content** Can 1L - 25L

RAL semi-gloss 70% - Art. nr. 222PAE70 **Content** Can 1L - 25L

RAL high-gloss 85% - Art. nr. 222PAE85 **Content** Can 1L - 25L

PVC & POWDERCOAT - Art. nr. 223PAE30 **Content** Can 1L - 25L

TOUCH-UP PAINT 2 COMPONENT

2-component PU liquid paint in can designed for repairing or coating of powdercoated object for high durability.

RAL matt 30% - Art. nr. 3PE139 **Content** Can 1L - 25L

RAL semi-gloss 70% - Art. nr. 3PE141 **Content** Can 1L - 25L

RAL high-gloss 85% - Art. nr. 3PE142 **Content** Can 1L - 25L

PVC & POWDERCOAT - Art. nr. 3PE143 **Content** Can 1L - 25L

TOUCH-UP PAINT DTM 2 COMPONENT

2 components liquid paint in can, specially developed for coating of difficult surfaces and also offers high protection against UV, rust or chemical products. 100% adhesion on galva, aluminium, stainless steel, zinc, PVC, polyester ... after preparation of surfaces.

RAL matt 30% - Art. nr. 3PE148 **Content** Can 1L - 25L

RAL semi-gloss 70% - Art. nr. 3PE148/02 **Content** Can 1L - 25L

RAL high-gloss 85% - Art. nr. 3PE148/04 **Content** Can 1L - 25L

PVC & POWDERCOAT - Art. nr. 3PE148/15 **Content** Can 1L - 25L

DUTHOO PU ACTIVATOR

Hardener for the Duthoo PU range.

Mixing ratio: 5 parts lacquer/1 part hardener.

Art. nr. 3PE092 **Content** Can 1L

DUTHOO DTM ACTIVATOR

Hardener for the Duthoo DTM range.

Mixing ratio: 10 parts lacquer/1 part hardener.

Art. nr. 3PE093 **Content** Can 1L

PU THINNER

Cleaner before touch-up or thinner for PU paint.

Art. nr. 216THA01-12 **Content** Bottle 12ml

Art. nr. 3DCC040/03 **Content** Can 1L

Art. nr. 3DCC040/01 **Content** Can 5

TOUCH-UP BOTTLE

1 Component liquid paint in touch-up bottle of 12 ml specially developed for repair of powdercoated & PVC objects. Available in all RAL colours (matt 30%, semi-gloss 70% and high-gloss 85%) and all PVC & powdercoat colors. 100% adhesion on lacquered objects with the Duthoo Etching Promoter or by fine sanding.

RAL - Art. nr. 215FLAPRAL Content Touch-up Bottle 12ml

POWDERCOAT - Art. nr. 215FLAPSTD Content Touch-up Bottle 12ml

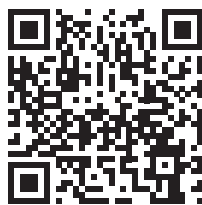

POWDERCOAT PEN

Touch-up bottle 12 ml for repair of powdercoating with colorless binder to which powder paint is added. Without the powder.

Art. nr. 079STIFT12 Content Touch-up Bottle 12ml

POWDERCOAT PEN

GENERAL CONDITIONS OF SALE:

1. *All sales are subject to the general terms and conditions, except there where we expressly and formally deviate from the terms by writing. The co-contractor waives its own general conditions.*
2. *The goods, even when sent free at destination , travel at the risk of the addressee.*
3. *The delivered goods remain property of DUTHOO NV untill full payment of the price. Meanwhile the buyer has the obligation to preserve the goods with due care and attention.*
4. *All invoices are payable on the due date in Kortrijk. If the due date is not mentioned on the invoice, it shall be deemed to be the same as the invoice date.*
5. *In case of non-payment of the invoices by the due date, an intrest will be owed, without the necessity of a reminder, that equals the legal intrest rate, plus 2%.*
6. *In case of total or partial non-payment of the debt on the due date as a result of ill-will or negligence, after failed notice of default, the outstanding balance will be increased by 12%, with a minimum of €122 and a maximum of €1.830, even when a grace period is granted.*
7. *In case of non-payment of an invoice on the due date, all other not yet expired invoices become immediately payable, irrespective of their due date.*
8. *All complaints regarding deliveries need to be in our possession, under penalty of cancellation, within 8 days after delivery by registered letter. The complaints must be clearly defined so we are able to take note of the case, otherwise they will not be accepted.*
9. *Delivery and execution times are purely indicative and without any obligation. They cannot give rise to compensation, price reduction or cancellation of the order.*
10. *All disputes belong to the jurisdiction of the courts of the district Kortrijk.*
